Re: To confirm the proceedings of the Committee/Council meeting held on November 3, 2021.

24. ADJOURNMENT

Resolution List for November 3, 2021

THAT the minutes of the Committee/Council Meeting held on October 20, 2021 be adopted as circulated.

THAT the attached lists of Accounts Payable for November __, 2021 in the amount of \$_____ and payroll for November __, 2021 in the amount of \$_____ be approved for payment.

BE IT RESOLVED THAT the Council of the Corporation of the Municipality of McDougall supports the attached resolution from The Town of Parry Sound requesting that the Ontario Provincial Government withdraw its appeal of the Ontario Superior Court's decision which recognized the mandatory obligation of the Crown to increase Robinson Huron Treaty annuities over time; and;

AND FURTHER that this resolution be forwarded to the Attorney General of Ontario and the following organizations and individuals requesting their support: municipalities of West Nipissing, Greater Sudbury, Espanola, North Bay, Northeastern Manitoulin, Blind River, and Sault Ste Marie within the Robinson-Huron Treaty Area; municipalities within the West Parry Sound District; District of Parry Sound Municipal Association; Association of Municipalities of Ontario (AMO); and MPP Norm Miller.

BE IT RESOLVED that the next portion of the meeting be closed to the public at _____ p.m. in order to address a matter pertaining to:

1. the security of the property of the municipality or local board;
2. personal matters about an identifiable individual, including municipal employees or local board employees;
3. a proposed or pending acquisition or disposition of land by the municipality or local board;
4. labour relations or employee negotiations;
5. litigation or potential litigation, including matters before administrative tribunals, affecting the municipality or local board;
6. the receiving of advice which is subject to solicitor/client privilege, including communications necessary for that purpose;
7. a matter in respect of which a council, board, committee or other body has authorized a meeting to be closed under another act;
8. an ongoing investigation respecting the municipality, a local board or a municipally-controlled corporation by the Ontario Ombudsman appointed under the Ombudsman Act, or a Municipal Ombudsman;
9. subject matter which relates to consideration of a request under the Municipal Freedom of Information and Protection of Privacy Act.
10. the meeting is held for the purpose of educating or training the members and no member discusses or otherwise deals with any matter in a way that materially advances the business or decision making of the Council, Board or Committee.
11. information provided in confidence by another level of government or Crown agency

12. a trade secret or scientific, technical , commercial, financial or labour relations information supplied in confidence which, if released, could significantly prejudice the competitive position of a person or organization
13. a trade secret or scientific, technical, commercial or financial information that belongs to the municipality or local board and has monetary value or potential monetary value
14. a position, plan, procedure, criteria or instruction to be applied to any negotiations carried, or to be carried, on by the municipality or local board

THAT Council reconvene in Open Session at _____ p.m.

THAT we do now adjourn at _____ p.m.

Call for Nominations to the 2022-2023 Good Roads Board of Directors

To: Head and Members of Council
Chief and Council

From: Scott Butler, Executive Director

Date: October 14, 2021

Pursuant to Good Roads Policy B-008, the Nominating Committee of the 2021-2022 Good Roads Board of Directors will present a slate of 11 directors to attendees at the Annual Good Roads Conference taking place February 27 – March 02, 2022, at the Fairmont Royal York in Toronto, Ontario.

The Good Roads Board of Directors understands the strength that diversity provides and is committed to achieving equity and inclusion on its leadership team. Women and individuals from equity seeking groups are encouraged to apply.

The following directors will automatically serve on the 2022-2023 Board of Directors:

- **President:** Paul Schoppmann – Mayor, Municipality of St.-Charles;
- **First Vice-President:** John Parsons – Division Manager, Roads Operations, City of London;
- **Second Vice-President:** Bryan Lewis – Councillor, Town of Halton Hills; and
- **Immediate Past President:** Dave Burton – Mayor, Municipality of Highlands East.

The Nominating Committee will put forward a slate comprised from Good Roads' municipal and First Nations membership. The slate will satisfy the geographic requirements prescribed in Section 12 of the Constitution as well as the criteria in Policy B-008.

The Constitution can be viewed in its entirety on the Good Roads website.

The following vacancies need to be filled:

.../2

City of Toronto

1 Vacancy

The City of Toronto Zone consists of the City of Toronto.

Northern Zone

2 Vacancies

The Northern Zone consists of the municipalities within and First Nations adjacent to the Districts of Algoma, Cochrane, Kenora, Manitoulin, Nipissing, Parry Sound, Rainy River, Sudbury, Thunder Bay and Timiskaming; municipalities in and including the District of Muskoka and the City of Greater Sudbury.

South Central Zone

0 Vacancies

The South Central Zone consists of the municipalities within and First Nations adjacent to the Counties of Dufferin, Grey, Simcoe, and Wellington, and municipalities in and including the Regional Municipalities of Durham, Halton, Niagara, Peel and York, and the City of Hamilton.

Southeast Zone

2 Vacancies

The Southeast Zone consists of the municipalities within and First Nations adjacent to the Counties of Frontenac, Haliburton, Hastings, Lanark, Leeds and Grenville, Lennox and Addington, Northumberland, Peterborough, Prescott and Russell, Prince Edward, Renfrew, and Stormont, Dundas and Glengarry, and the Cities of Kawartha Lakes and Ottawa.

Southwest Zone

1 Vacancies

The Southwest Zone consists of the municipalities within and First Nations adjacent to the Counties of Brant, Bruce, Elgin, Essex, Haldimand, Huron, Lambton, Middlesex, Norfolk, Oxford, and Perth, the municipality of Chatham-Kent, and municipalities in and including the Regional Municipality of Waterloo.

Those elected shall serve for a two-year term ending on Wednesday, February 28, 2024.

Any member of Council or a permanent full-time staff from a Good Roads member municipality or First Nation who is interested in being considered as a candidate for a position on the Board of Directors must complete the attached Nomination Consent form found below and submit it along with a résumé to the attention of Rick Harms, Chair of the Nominating Committee no later than 1700 h Eastern Time on November 19, 2021. Nominations can be emailed to info@ogra.org or mailed to Good Roads, 1525 Cornwall Road, Unit 22, Oakville, Ontario L6J 0B2.

The Nominating Committee will meet on November 24, 2021, to recommend a slate of directors to the membership. The Nominating Committee is comprised of the following directors:

Chair:	Rick Harms, Immediate Past President
Vice Chair:	Rick Kester, Past President
Members:	John Parsons, OGRA Second Vice-President
	Paul Ainslie, OGRA Director
	Cheryl Fort, OGRA Director

Questions regarding the nomination process or serving on the Board of Directors can be directed to Scott Butler at scott@ogra.org or 416-564-4319.

Sincerely,

Scott Butler
Executive Director

REPORT TO COUNCIL

Report No.:	ENV-9-2021
Council Date:	Nov 3, 2021
From:	Steve Goman
Subject:	Environmental Services Report

Background:

Dept. Wide: COVID-19 procedures are still in place to reduce the potential spread of the virus. We have made keeping our Essential Services running a priority. We have been able to maintain regulatory compliance within the Department.

Landfill Leachate:

We are running the treatment plant at a high rate to keep up with the rain. WSP was on site in October to complete the fall site monitoring sample event. We are monitoring the facility closely and don't anticipate any major problems.

Nobel Water:

The water system is operating well within set MECP regulations. We have completed the fall flushing the fire hydrants during as per our routine and regulated maintenance.

Crawford Septic:

We are working with Tatham Eng. to gather information on the current status of the bed.

Recommendation:

Landfill Leachate:

Accept this report as information.

Nobel Water:

Accept this report as information.

Crawford Septic:

Accept this report as information.

Re: OHIP Eye Care Resolution R2021-425

Please be advised that on September 28, 2021, the Township of Larder Lake Council passed a motion to support the Municipality of Trent Lakes regarding a request to the provincial government to recognize the value that access to quality eye care brings to all Ontarians and to act now to protect it and that the provincial government address the OHIP-insured eye care immediately and to enter into legally-binding negotiations with Ontario Optometrists to fund these services.

Motion 4

Moved by Councillor Paul Kelly, Seconded by Councillor Tom Armstrong.

THAT, Council hereby supports item 6.1 of letters and communications from the Municipality of Trent Lakes regarding a request to the provincial government to recognize the value that access to quality eye care brings to all Ontarians and to act now to protect it; And

FURTHER, that the provincial government address the OHIP-insured eye care immediately and enter into legally-binding negotiations with Ontario Optometrists to fund these services at least to the cost of delivery, prior to any job action taking place; And

FURTHER, that a copy of this resolution be forwarded to Premier Doug Ford, Ontario Minister of Health Christine Elliot, MPP John Vanthof, the Ontario Association of Optometrists, and to all municipalities in Ontario.

If you have any questions regarding the above motion, please do not hesitate to contact me by phone or email crystallabbe@larderlake.ca

ONTARIO ASSOCIATION OF PARAMEDIC CHIEFS

110 Cumberland Street, Suite 402, Toronto, ON M5R 3V5

www.oapc.ca

October 19, 2021

Honourable Doug Ford
Premier of Ontario
Legislative Building
Queens' Park
Toronto, ON M7A 1A1

Dear Premier Ford,

The Ontario Association of Paramedic Chiefs (OAPC) is the voice of Paramedic Service leadership in the Province of Ontario, representing every ambulance service certified by the Province of Ontario in accordance with the Ambulance Act.

We thank you for the opportunity to respond to the questions below regarding mandatory vaccination:

1. How could making vaccinations mandatory benefit hospitals?

Demonstrating leadership is often hard, with hospitals on the forefront of the pandemic and most activities designed to protect health care capacity this is a reasonable step that can be taken to ensure a safe workplace under the OHSA. This will further promote the message that we cannot mask, distance, or handwash ourselves out of this pandemic. Vaccinating the population is the best way to bring this pandemic under control. This will benefit everyone but needs to be mandatory across all health sectors; not only hospitals. If it is not mandatory at all hospitals staff who are not vaccinated at one hospital will find work at another if no mandatory policy exists.

2. Should the government make COVID-19 vaccinations mandatory in hospitals or leave staffing decisions up to individual hospitals?

The Provincial Government should mandate this to ensure a consistent process within all hospitals in Ontario. Those accessing health care services should have the confidence that the medical staff are not carrying a virus that can result in severe illness or death. The Provincial Government needs to make a decision that is the same across all healthcare workers and institutions.

Chief Peter F. Dundas, President

www.oapc.ca

3. Currently, there are two active outbreaks in hospitals. This low prevalence is due to strong IPAC measures and robust hospital safety policies. How would you assess the risk posed by potential future outbreaks compared to the risk of widespread HHR implications that may result from a vaccine mandate?

Better to deal with the HHR factors that you know of compared to an outbreak in which you need to react, contact trace and increase exposure and potential death of staff, patients, and community spread.; the risk will always be present. Higher vaccination rates will reduce the spread of these viruses. Vaccine requirements are already present (MMR, DPT, Polio, Tetanus, Varicella, Hep B, etc.), COVID and Influenza should be added to this list of mandatory requirements. Individuals with a strong opposition to vaccines will likely never opt to receive the vaccine. However, by establishing what the requirements are today, will help the future workforce understand what will be asked of them if they are entering into the healthcare system. There remains a risk, hospital are large organizations that could result in spreading infections to those using hospital services. While good IPAC measures have contributed to the overall management strategy, the most effective measure is vaccination. If hospitals do not require it how do you anticipate that message is received by the public.

4. Do you believe mandatory vaccines would result in a diminishment of frontline staff in other parts of our health care system? If so, where?

All sectors of healthcare in the province could be negatively impacted by this, not just hospitals. That being said, the issue of diminished workforce should not be the priority consideration with this decision – it is either based on safety and protection or it's not. We don't reduce safety standards to enable more people to work in any other aspect of workplaces. If the disease spreads again through unvaccinated people it is going to reduce the workforce anyway, or people may leave the workforce out of concern that their workplace is unsafe for not implementing full vaccination prevention.

5. Do you believe this policy could result in negative impacts in areas that face significant challenges recruiting and retaining health care workers, particularly in northern and remote parts of the province?

As above, all parts of the healthcare system would be impacted, with potentially more significant impacts in areas that already struggle with recruitment/retention. Paramedic Services, for example, have historically had a large pool of potential candidates to recruit

www.oapc.ca

from, so the impact of mandatory vaccinations may be limited. However, in positions that are historically hard to fill, there may be additional impacts brought on by a mandatory vaccine. We in Paramedic Services also face the challenge of decreased availability of staff due to the college programs being delayed during the pandemic so adding another layer of complexity to recruitment presents further issues. Yet as above, if the disease spreads in the northern communities with an already limited workforce to recruit from the impact may be greater.

6. Are there other parts of the system where unvaccinated workers can be reassigned, including administrative or other non-patient facing roles?

Healthcare professionals are often uniquely trained to perform their specific role and do not transfer well to administrative roles. It can be done, but there are many more appropriately skilled/trained individuals out there, at a much lower wage who can fill these roles. This is a slippery slope with Unions as well and I would be extremely cautious taking this approach. Potentially, however you are just shifting your issues to another area and these individuals will still intermix with the total workforce which could impact infection rates within a facility and their staffing levels.

7. In your opinion, is there anything else the government can or should be doing to increase vaccination uptake among health care workers?

The vaccination rates among healthcare workers is quite good. Most likely the only way to increase uptake is just as has been done throughout the years for other global disease and pandemics – mandate it for all healthcare workers and those in a healthcare setting – hospitals, LTC, paramedics, etc.

The OAPC remains committed to work with your government to protect Ontarians.

Respectfully,

Peter F. Dundas
President

Directors Report

Oct 28, 2021

EMS Bases

Argyle – The issue with Argyle continues to remain the overnight accommodations for medics on call as well as the location of the garage being remote from the base itself. These are less than ideal circumstances. Solutions will need to be addressed as we explore the implications of the expansion of the hours in Argyle from 8 to 10 to 12 hours per day.

Powassan – The CPLTC program operating out of Powassan is still based in the Fire Hall. The intent was to have the CPLTC medics into the Municipal Complex in the summer however delays in the renovations continue to be an impediment to this occurring. Staff continue to dialogue with Powassan about getting this on track

South River – The South River Station is grossly overused. There are multiple management staff and operational staff all working in the space. Consideration for a major change at South River will need to occur in the near future. This will likely necessitate the building of a replacement base with more storage and operational space. This would greatly relieve the pressure on the Parry Sound base.

Parry Sound – Similar to South River, additional space needs to be considered at Parry Sound. The pandemic has necessitated the carrying of physical extra stock into the future. Options are being assessed for short term and long-term consideration.

General Repairs – The 2022 Capital Budget contains significant funds to upgrade all stations. Many of these repairs are simply new floors or painting to refresh the bases.

2021 Financial Position

The most recent financial reports indicate that the Land Ambulance Budget is currently on track for a surplus.

Staffing Issues

There has been a significant staff turnover in the past two months for various reasons. Both employment options elsewhere and vaccine mandates in the Health Care industry have caused PSDEMS to lose a number of employees. Currently the job market in EMS benefits the employee with many options available across the province for employment. Certification for a new medic is not a rapid process and EMS Management are attempting to get through the processes as quickly as possible however lack of personnel may affect the budget in overtime being required to staff regular shifts. This will create pressure on the budget however at this time staff believe it will be manageable although not ideal.

Land Ambulance Operators Contract

The WPSHC has requested a committee approach to a long-term contract extension. This is in place of a direct negotiating process between the Town of Parry Sound Director and WPSHC Director responsible for the service. Written confirmation that the contract will be extended for 2022 has been received and negotiations are expected to commence imminently.

The Corporation of the Town of Parry Sound

Committee Report and Recommendation

Open or Closed Agenda

Open

Section 239 (2), Municipal Act Subsection:

Committee Meeting Date:

October 28, 2021

Subject:

2020 Land Ambulance Audited Financial Statements

TOMRMS File Number:

F03

Spokesperson(s) Name and Title:

Dave Thompson, Director of Development and Protective Services

Department:

Development and Protective Services

Purpose of Report:

To provide the EMS Advisory Committee with the 2020 Land Ambulance Audited Financial Statements

Determination for Committee:

Resolution:

That the EMS Advisory Committee receives the 2020 Land Ambulance Audited Financial Statements and that the committee concurs with staff's course of action to place the accumulated surplus of \$274,928.00 into reserves to utilized in future years in case of a deficit position

Identify Relationship to Strategic Priorities:

Core Service - Yes

Key Stretch Goal or Core Service Improvement Goal - No

New Service, Project or Program - No

Does This Item Relate to Council's Strategic Priorities? n/a

Background:

BDO Canada LLP prepared the 2020 Land Ambulance Audited Financial Statements in the spring and summer of 2021. Attached to this report are the Statements. These Statements have already been presented and received by the Town of Parry Sound with the recommendation to place the accumulated surplus in reserves as recommended by the Chief Financial Officer.

The EMS Advisory Committee have previously provided direction to pursue the placement of the surplus in reserves to replace the depleted amounts utilized through 2019 and during the pandemic. This report and resolution will formalize that direction provided by the EMS Advisory Committee.

Staff Recommendation:

That the Committee receives the Statements and that the Committee ratifies its direction to place the surplus in reserves.

Advantages and/or Disadvantages of Staff Recommendation:

Replaces depleted reserves

Alternatives:

To refund the municipalities

Cost/Financial Impact:

n/a

Included in Current Budget:

n/a

Attachments:

Attachment #1 2020 Land Ambulance Audited Financial Statements

(Accessible format available upon request)

Committee Report and Recommendation

Open or Closed Agenda

Section 239 (2), Municipal Act Subsection:

Committee Meeting Date:

Subject:

2022 Land Ambulance Budget

TOMRMS File Number:

F05

Spokesperson(s) Name and Title:

Dave Thompson, Director of Development and Protective Services

Department:

Development and Protective Services

Purpose of Report:

To gain direction from the EMS Advisory Committee on the targets and operational adjustments for a 2022 Levy Increase recognizing the service level impacts resulting from a variety of courses of action.

Determination for Committee:

Direction (For Direct Staff Follow-up)

That Staff prepare the 2022 Land Ambulance Budget with the following amendments;

And return to Committee for ratification on .

Identify Relationship to Strategic Priorities:

Core Service - yes

Key Stretch Goal or Core Service Improvement Goal - No

New Service, Project or Program - No

Does This Item Relate to Council's Strategic Priorities? n/a

Background:

The 2022 Land Ambulance Budget requires thoughtful consideration to the staffing changes required to be made due to past negotiated settlements as well as other financial requirements. A summary of issues is presented below for Committee consideration;

The 2020 Land Ambulance Budget as currently attached requires a 9.8% levy Increase.

There are two specific reasons for the high rate.

1. The WPSHC staff negotiated solution to a grievance with regards to the utilization of 8 hour shifts in Argyle and the Parry Sound summer upstaff shift require a move from 8 hour shifts to 12-hour shifts. This results in an approximate \$250,000 increase to costs.

2. During the 2021 budget cycle both the Town and the WPSHC budget for the same revenue for LHIN Community Paramedicine funding of \$216,000. This needs to be corrected in the 2022 Budget cycle which necessitates a decline of LHIN funding for the overall budget.

The following strategies could be utilized to offset some of the increase;

1. Removal of the Argyle on Call system
2. Reduction of the number of months that the Parry Sound Summer Upstaff shift is in place
3. Utilize reserve monies to fund a portion of the gap to spread the increase out over more than 1 year.

Significant increases in call volume as well as enhanced policies and procedures are continually increasing the amount of Unit Hour Utilization (UHU) that occurs for every EMS crew. Enhancing resources will be a continual requirement into the future for EMS services.

Recognition that as a primary service creating a reasonable quality of life for District residents will require continual commitment to increasing municipal resources in terms of tax dollars is necessary.

EMS does not have access to growth taxation in the manner that municipalities do. The ability to maintain cost of living increases is not possible with additional demand for services with an aging and growing population base. The past expectation of cost of living increases to the levy are a portion of the reason for a significant needed influx in funding as seen this year.

Future Base replacement to make room for more staffing is also needed in the near future.

Staff Recommendation:

Discussion of the need for and if required, implementation of various methods of levy reduction need to occur during the Committee meeting. There are operational implications to each method as outlined above. The movement of crews and resources throughout the District is complex and requires extensive dialogue.

Advantages and/or Disadvantages of Staff Recommendation:

Open discussion of the merits of levy containment will allow for a consensus moving forward with the finalization of the Land Ambulance Budget.

Alternatives:

To reach a consensus on operational needs and provide the Director with authority to move a Budget forward to Town Council.

Cost/Financial Impact:

The current Budget has a 9.8% levy increase. Lowering this increase through various operational or financial processes will have a direct service impact.

Included in Current Budget:

n/a

adjusted for 2022

Note: Buildings includes numerous repairs throughout all stations; painting and floors at a number of stations, overhead doors in Burks Falls, Powassan and South River, Tech wiring in Parry Sound, mezanine storage in Parry Sound. The price of ambulances is increasing significantly due to global supply issues as well as lower competition in the market. We are utilizing a budgetary price of \$180,000 per unit currently.

NEWS RELEASE

For immediate release: October 21, 2021

Celebrate Halloween Safely this Year

NIPISSING AND PARRY SOUND, ON – Halloween is fast approaching and the North Bay Parry Sound District Health Unit (Health Unit) is reminding the public to celebrating this spook-tacular holiday safer by considering the risk when making plans.

“The COVID-19 case activity in our district is low and it is important to keep it low,” states Dr. Jim Chirico, Medical Officer of Health. “Whether you are door-to-door trick-or-treating or partaking in a Halloween party, it is critical we consider the risk of our activities. Most importantly, if you have any symptoms of illness, even mild, stay home and instead celebrate Halloween virtually with friends and family.”

The following are ways to enjoy Halloween safely and help reduce the risk of COVID-19:

Trick-or-treaters:

- Stay home if you have any symptoms of illness, even if mild.
- Wear a face covering when trick-or-treating. If possible, find a Halloween themed face covering instead of a costume mask. A costume mask is not a substitute for a face covering and it is not recommended they be worn together.
- Only trick-or-treat in outdoor settings.
- Avoid congregating in small spaces (doorsteps) to collect treats; wait from a distance until the group before you has cleared.
- Keep interactions brief with people handing out treats.
- Sanitize your hands often while out trick-or-treating, especially when you return home.

People handing out treats:

- Do not hand out treats if you have any symptoms of illness, even if mild.
- Sanitize hands often.
- Use tongs to hand out the treats.
- Do not have children grab from a communal bowl of treats.
- Only hand out individual pre-packaged treats.

Hosting or attending a party:

- If you plan on attending a gathering or are hosting a gathering and start to feel [symptoms of COVID-19](#), cancel, [get tested for COVID-19](#) and self-isolate.
- Wash your hands regularly and use hand sanitizer often.
- If possible, host the party outside. If inside, we encourage you to ask individuals who are not vaccinated to wear a face covering.
- Ensure you follow the provincial gathering limits of 25 people indoors and 100 people outdoors.

By working together, we can continue to reduce the spread of COVID-19 and keep our communities healthy.

PUBLIC SERVICE ANNOUNCEMENT

For immediate release: October 18, 2021

Mobile and Walk-in COVID-19 Vaccine Clinics to be Held October 18 to October 24

NIPISSING & PARRY SOUND, ON – The North Bay Parry Sound District Health Unit (Health Unit) will be holding COVID-19 vaccine clinics this week throughout the Health Unit district. Individuals who wish to receive a first or second dose are invited to walk in without an appointment and should bring a health card or another form of identification, if possible. Individuals eligible for a third dose can also attend clinics if they have the required documentation, as well as identification. Clinics will offer both Pfizer and Moderna vaccines.

Clinics this week include:

Parry Sound:

- Monday, Oct. 18 at Sobeys (25 Pine Dr., Parry Sound) from 2 p.m. to 6 p.m.

PUBLIC SERVICE ANNOUNCEMENT

For immediate release: October 25, 2021

Walk-in and Mobile COVID-19 Vaccine Clinics to be Held October 25 to October 30

NIPISSING & PARRY SOUND, ON – The North Bay Parry Sound District Health Unit (Health Unit) will be holding COVID-19 vaccine clinics this week throughout the Health Unit district. Individuals who wish to receive a first or second dose are invited to walk-in without an appointment and should bring a health card or another form of identification, if possible. Individuals eligible for a third dose can also attend clinics if they have the required documentation, as well as identification. Clinics will offer both Pfizer and Moderna vaccines.

Clinics this week include:

Arnstein

- Wednesday, Oct. 27 at Argyle Community Centre (10812 Hwy 522, Arnstein) from 2 p.m. to 3:30 p.m.

Kearney

- Saturday, Oct. 30 at Royal Canadian Legion (58 Park Rd., Kearney) from 1 p.m. to 3 p.m.

Nipissing

- Wednesday, Oct. 27 at Township of Nipissing Municipal Office (45 Beatty St., Nipissing) from 9:30 a.m. to 11 a.m.

North Bay

- Monday, Oct. 25 at Northgate Shopping Centre parking lot (1500 Fisher St., North Bay) from 1 p.m. to 5 p.m.
- Tuesday, Oct. 26 at North Bay Mall (300 Lakeshore Dr., North Bay) from 3 p.m. to 6 p.m.
- Thursday, Oct. 28 at Elks Lodge (325 Elks Ln., North Bay) from 4 p.m. to 8 p.m.

Novar

- Saturday, Oct. 30 at Novar Community Centre (25 Laurie St., Novar) from 9:30 a.m. to 11 a.m.

Parry Sound

- Friday, Oct. 29 at Bobby Orr Community Centre (7 Mary St., Parry Sound) from 1 p.m. to 4 p.m.

THE CORPORATION OF THE MUNICIPALITY OF MCDOUGALL
BY-LAW NO. 2021-49

Being a By-law to declare to be surplus those lands designated as Part 1 Plan 42R-21721, and to correct an encroachment issue, and sell the said lands to Jonathan and Samantha Buchan (16D Hammel Ave.).

WHEREAS pursuant to Section 270(1) of the Municipal Act S.O. 2001, c.25, ("the Act") a municipality shall adopt and maintain policies with respect to the sale and other disposition of land;

AND WHEREAS pursuant to By-Law 2020-29, being a by-law passed by the Council of the Corporation of the Municipality of McDougall to establish policies and procedure regarding the sale and disposition of land, the Municipality, to correct an encroachment issue, wishes to sell the land designated as Part 1, Plan 42R-21721 to Jonathan and Samantha Buchan.

AND WHEREAS Council has determined that the land proposed to be sold is surplus to the needs of the Municipality and deem it expedient to sell;

NOW THEREFORE BE IT ENACTED AS A BY-LAW OF THE CORPORATION OF THE MUNICIPALITY OF MCDOUGALL AS FOLLOWS:

- 1. This Council does hereby authorize the sale of Part 1 on Registered Plan 42R-21721 to Jonathan and Samantha Buchan for the amount of \$7,500.00 plus all costs incurred by this transaction.
- 2. This Council does hereby declare that Part 1 on Registered Plan 42R-21721 is surplus to the needs of the Municipality.
- 3. That the Mayor and Clerk are hereby authorized to execute all documents in connection with the sale of the above land and the subsequent transfer of title.
- 4. This By-law shall come into effect upon final passing.

READ a **FIRST** and **SECOND** time this day of , 2021.
